Supplement Facts

Serving Size: 10 tablets (300 mg ea.)
Servings: 33

Amount per serving	%DV
Chlorella 3 grams	*

*Daily Values (DV) not established.

E-lyte Chlorella is produced in a patented continuous closed glass tube system. The cultivating solution which is pumped through the glass tubes with relatively high velocity contains the culture of Chlorella vulgaris and good grade minerals dosed precisely. This unique closed manufacturing process insures chlorella of the highest quality possible.

"A Leading Research Company in the Healing Power of Nutrients."

INGREDIENTS: Chlorella vulgaris Powder, Magnesium Stearate (Anti-clumping agent), Silicic Acid.

SUGGESTED USE: To improve well being take 10 tablets daily.

KEEP OUT OF REACH OF CHILDREN. Keep tightly closed in a cool dry place.
